MESSAGE FROM THE ADMIN

Welcome to June. We are finishing up curriculum, planning amazing field trips, preparing for final assessments, and getting ready for the end of the school year. We have so many fun days planned in the month of June. First of all, we would love to welcome you to our mass on June 7th at 10am at Our Lady of Peace, where we will be celebrating our school's 30th anniversary and continuing on with some tours of the school and some fun activities during the afternoon.

We will also be celebrating this month the retirement of two great teachers: Mrs. Pam Scobey and Mrs. Donna Brennan. They have given over 30 years of their lives to education and will be retiring at the end of June. We thank them for their dedication to providing quality education to a multitude of Good Shepherd students for many generations. Congratulations and best wishes on your future endeavors

Our awards celebration will be held on June 25th at noon. Parents or guardians of students receiving awards will be notified, however, we welcome everyone to attend.

A big congratulations goes out to our choir who won regionals in Grande Prairie and performed in Edmonton at the end of May. Thank you to Mrs. Monette and Mrs. Quigley for their hard work and time given to this program.

A reminder with the warmer weather, please ensure your child brings a water bottle to school to keep hydrated and sunscreen if needed. Thank you to all of you for choosing Good Shepherd for your child's education. God bless you all.

INDIGENOUS NEWS

In May, the students visited the Peace River Museum to learn more about the people who first lived in Peace River. It was the First Nation group called the Beaver. The Cree people came later. These two groups signed a peace agreement at a place called Peace Point in Wood Buffalo National Park. This is how they came up with the name "Peace River"
